Why Choose this Training Course?

This intensive five-day course is designed to assist contracts professionals cope with the increasing complexity of commercial and business relationships as trade becomes ever more international. All business professionals need to understand what a contract does (and does not) require them and the other party to the contract to do, and the consequences for both parties of any failure.

This course will feature:

- The differences in approach between different legal and contracting systems
- Risk allocation in contract management and dispute resolution in contractual disputes
- Contracting in an international context
- Protecting your company's interests
- An understanding of contracting in the English language

What are the Goals?

By the end of this course, participants will be able to:

- Improve their understanding of the role of contracts within a business
- Develop more confidence in dealing with contracting issues
- Understand how strategies can be developed to improve the commercial outcomes
- Apply the latest international thinking in dispute resolution
- Increase awareness of the use of contracts in everyday business life

Who is this Training Course for?

This course will benefit all levels of personnel engaged in contract management, negotiation, procurement, operations, and disputes. This course is suitable to a wide range of contracts professionals but will greatly benefit:

- Contract Administrators, Contract Professionals and Project Coordinators
- Specifiers, Buyers, Purchasing Professionals and Procurement Officers
