Why Choose this Training Course?

Strategies, Risks, Negotiation and Leadership are the essential skills for those who are dedicated to maximizing their performance and value-added contribution (and that of the people who work for them). As the business environment becomes ever more uncertain and turbulent, the requirement for professional leadership and management throughout organizations is at a premium. Hence, these four elements of the course provide a structured and coherent framework for addressing the challenges for which professionals face in respect of both their day-to-day and longer-term responsibilities.

This course will feature:

- Identifying effective and proven strategies
- Appraising and Managing Risks
- Practical Win-Win Negotiating Strategies
- Improve Strategic Management Skills
- Getting the most out of the people who work for you

What are the Goals?

By the end of this course, participants will be able to:

- Develop an appreciation & understanding of each of the elements of the course.
- Understand how the elements interact to create a systemic approach to mastering the essential tasks of any leader in business today.
- Develop the skills and applications needed to master each individual element
- Utilize the four elements in achieving individual, team and high organizational results
- Identify priorities for continued professional development

Who is this Training Course for?

This course will benefit professionals who desire to learn practical high level leadership and management techniques to maximize their effectiveness and contribution at work. The course will give them the understanding and skills to approach strategic and everyday challenges and problems with the awareness, confidence and self-assurance needed to take action and achieve positive results.

This course is suitable to a wide range of professionals but will greatly benefit:

- Current and potential strategic leaders at all levels
- Those responsible for developing and leading strategy
- Business unit Managers and/or Managers of all Levels
- Functional Team Leaders in the public or private sector
- Supervisors/Line Leaders

How will this Training Course be Presented?

This course will utilise a variety of proven adult learning techniques to ensure maximum understanding, comprehension and retention of the information presented. This includes mixture of speaker input, facilitated discussion, syndicate work and practical exercises, with an emphasis on delegate involvement at all times. The learning tools include video case studies, team problem solving and analysis tools to uncover core strengths and innovating ideas.
