Why Choose this Training Course?

This course will show you how to use competencies to deliver real, qualified improvements in terms of productivity gains by using the technique in a practical sense. Competencies are used to define desirable behaviour and then introduce improvements in selection, assessment, talent management and retention, performance management and employee development.

This course will walk you through the integrated process of implementing competency-based HR in your organization by applying the competency framework to basic HR functions, ensuring that the right people are in the right jobs and are developed and motivated in the right way. Competencies can also be key elements in succession planning and the management of values.

This course will feature:

- Ideas how to build HR practices that support organisation strategy
- Improvements to processes for selection and assessment
- Practical ways to optimise the contribution of *everyone* in the organisation
- Processes for talent management and succession planning
- Techniques for motivating and empowering employees

What are the Goals?

By the end of this course, participants will be able to:

- Manage the distinction between competencies, skills and tasks
- Use competencies in public and private organisations
- Differentiate between Leadership, Technical and Behavioural competencies
- Link competencies to organisational objectives and values
- Use competencies for a range of HR processes

Who is this Training Course for?

This course is suitable to a wide range of professionals but will greatly benefit varied groups of delegates including those with Managerial or Supervisory responsibility and HR professionals, and this includes:

- Those who want to learn the skills involved in improving relations at work, improving productivity or improving behaviour at work
- Those who are responsible for managing or supervising any type of person, group or team
- HR and Employee Relations professionals who are responsible for the design and delivery of competency-based HR programs

How will this Training Course be Presented?

This course will utilise a variety of proven adult learning techniques to ensure maximum understanding, comprehension and retention of the information presented. This includes a range of interactive activities - group and individual exercises, case studies and discussions.

There will also be presentations from and facilitated discussions with the course leader who is an HR professional and has many years experience of using competencies in a range of applications. Each day will end with each delegate reflecting on the messages from the day and completing a summary of what has been learned that day and how the learning will be transferred back to the workplace.
