Why Choose this Training Course?

In this intensive five-day course, delegates will be equipped with the necessary skills and knowledge to deliver the HR practices professionally and efficiently whether they are HR Professionals or Line Managers who wish to ensure that their people get the most out of their working experience.

Careers, jobs and the work experience have changed dramatically in the last twenty years. The practice of Human Resource Management has changed as well in order to support managers and employees effectively and efficiently. Human Resources Practice covers a range of key activities which will be examined in this five day course.

This course will feature:

- Stimulating exercises and role plays which are planned carefully to allow delegates to examine and study and resolve real-life situations and experiences.
- Active participation to practice and apply different skills and styles – experience which can be taken back to the workplace.
- Opportunities are available to discuss and deal with situations delegates are experiencing in their workplace.
- Extensive and constructive feedback throughout the course from the tutor, from fellow delegates and from self-review.

What are the Goals?

By the end of this course, participants will be able to:

- Demonstrate & understand the key activities of HR to support the achievement of the organisation's objectives
- Recognise that managing people is a shared activity with Line Managers and HR
- Identify and develop critical skills in crucial areas to ensure the right people in the right place at the right time
- Develop people to their optimum capability

- Illustrate & deal constructively with any performance/behavioural issues at an early stage and ensure maximum contribution from all employees

Who is this Training Course for?

This course is suitable to a wide range of professionals but will greatly benefit:

- Human Resource Professionals at team leader, supervisory and middle management level wishing to progress
- Managers at all levels who wish to consolidate, refresh and reinforce their knowledge and skills
- It will be ideal for delegates who are intending to move into Human Resource management after a period of experience in line management
- Line Managers wishing to develop a more thorough understanding of the key Human Resource practices so that they can manage their team more effectively

How will this Training Course be Presented?

This course is highly interactive with individual and group activities. A variety of practical sessions including Case Studies, self-report questionnaires, and group interaction are programmed. These sessions are informative, inspiring, enjoyable and presented in a relaxing atmosphere conducive to learning. The success of the course is centered on the needs of delegates.
